Dear Parent,

The Arc Livingston is thrilled to once again offer scholarships to provide children with disabilities the opportunity to participate in community-based and inclusive camps and other recreational experiences. Our goal is to assist children with disabilities to have the support they need to participate in and enjoy inclusive camps and other recreational experiences in their community.

Scholarships can pay for a variety of supports, including camp/recreation activity registration fees, club membership or personal assistance, transportation, supplies, etc. necessary to participate in an inclusive activity. Scholarship funds are dependent upon how much money is annually donated to the Arc. Funds will be distributed based on income requirements and a first come first serve basis.

To be eligible for a scholarship, children must reside in Livingston County, be between 5 and 18 years of age and have a current Individual Educational Plan (IEP). Enclosed is the financial chart that we will utilize to determine income eligibility and scholarship levels. Please feel free to contact us if the number of members in your family exceeds six. Income eligibility is based on providing proof of page 1 of your Federal 2022 Tax form. This information will be shredded for your privacy after eligibility is determined.

To apply to receive a scholarship, please complete and return the enclosed documents, along with the requested forms. We encourage you to complete the application as soon as possible if you are interested in receiving a scholarship, even if you have not yet chosen or registered for a camp or activity. If your child is found eligible and is awarded a scholarship and has not yet decided on a camp or activity, you will be allowed to reserve funds through June 1, 2023, for your child. After June 1, if all or part of a camp scholarship has not been paid out, and we have not heard from you regarding your intention for using your scholarship, the scholarship will be forfeited. Forfeited funds will be used for other families who are on the camp scholarship waiting list. All scholarships must be paid out by June 15, 2023. Funds do not carry over from year to year.

If you have any questions or concerns, please feel free to contact Sarah Lewis, our Send A Kid to Camp specialist at 517-546-1228 or by email at sarah@arclivingston.org.

With Warmest Regards,
